SUMMARY OF THE REASONS FOR DECISION:

The DVD *Passion In Venice* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The DVD contains a feature previously examined and classified in video format by the Office of Film and Literature Classification. The video recording *Passion In Venice* (*Passiona a Venezia*) was classified as "Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years", with the descriptive note "Contains explicit sex scenes". This decision was registered on 22 August 1996.

The DVD has additional components consisting of still photographs, biographical profiles of participants and a trailer for a similar publication. These other components also contain explicit sexual material. However, this additional material does not affect the classification given to the original publication.
